

North Andover Parents' Advisory Council for Special Needs
Minutes for monthly meeting on April 1, 2004 (written by Lisa Staff)

Kathleen Keith presented a full program of recreational and summer opportunities along with a handout listing resources.

Kathleen Melia defined "the purpose of summer school is to maintain what has been learned through the year"

Jackie McVeigh mentioned the possibility of extending the Middle School and High School summer programs with timing to be 8:30 AM-2:00 PM, academics in the AM and thematic activities in the PM

Next month's meeting will be presented by Jackie McVeigh and special education administration. Discussions relating to preschool through elementary school will include:

Programming, Facilitation of ABA, What's available in the future, transitioning, the possibility of K-2 programming & Head Start
